

Promises Broken

Soul Asylum

1. Street are filled with broken glass
You get buried by the past
Give me just a little taste
Lay this mess to waste
Take me home

My mind is racing take me home, my body's
Aching so alone
I'll make you want to stay
With me befriended by the enemy
One more time

- R: Every little thing about you tells me nothing out
There is ever gonna help me all these words that
I hear spoken - just promises broken now

Looking outside from the window sill throw another
Coin in the wishing well, you'll never find what
Your looking for 15 miles
Your dim light shines from so far away
Your sad smile, is all I see when I say

2. From the hotel satellite
Don't look like you're livin' right
Here's a deal you can't refuse
You ain't got as much to lose

Can you tell your troubles to someone
Who won't laugh at you, It's alright.
And as I watch you walk away hope
A part of you will stay, it's alright
