

# Shut Down

Soul Asylum

I've been vindicated  
I've been loved and hated  
I've been pulled aside and told that life was overrated  
No, I don't believe it  
I just can't conceive it  
I can write all night but in the morning I can't read it

Oh no, don't know what's the matter  
Stuck up on a ladder, scared of coming down  
If I don't get what I want  
And there ain't enough to go around  
I become oblivious to the obvious  
Just ridiculous

As I flip the pages  
You're a time that ageless  
In between us lies a calm before the storm that rages  
Though we were related  
Couldn't be separated  
Tried to get ahead but only got decapitated

If I don't get what you want  
And you don't get what I need  
We become oblivious to the obvious  
Just dysfunctional  
Shut down

When I can't get keep from getting down  
And I grow tired of hangin' 'round  
I become invisible, unlivable  
Just dysfunctional  
Shut down
