

## Buddha Rhubarb Butter

### Soul Coughing

As for my single self I had as lief not be as live to be in awe  
of such a thing as I myself.

As for my own concern I had as think to think as keep on thinki  
ng not so hard as for the brain to burn.

And at the salad bar a man he stares into the croutons hypnotiz  
ed by powers of the Bac-O-Bits.

And I expose myself to stimuli unfit for people outside the con  
trols of an experiment.
