

Uh, Zoom Zip

Soul Coughing

Zoom zip and uh wake up, uh zoom zip

My eye like a noisegate the number 8 frustrate and I roll to the floor fruit
to the fruit to the core of a spheroid embedded in my skull the round the
zero the symbol of null and void and well I toyed with the concept of
vitamin B-12 the synapse the synapse it feeds itself on a nutrient
contained in sunlight the blink the lid the fight to snap open

Moving up to the double M 2000 I eat up a decade like a flan your turn of
the century turn it up turn it up clock seconds to the hour go and cash the
millennium Um Um and it hums like a migraine to the brain in the time yet
remaining but uh ah melancholy nonsense and I crack nouns broth erfuck
the verb tense
