

# All In My Mind

Soul For Real

I must be waisting my time, baby, baby  
Free is just a fool in my heart  
(Just a fool in my heart)  
(Feel the funk)  
Never get a girl like you

I guess, it's all in my mind  
I must be waisting my time

What made me think that I'd ever get a?  
(Ever get a girl like you)  
It's just a fool in my heart  
Should have known from the start

What made me think that I'd ever get a girl like you?  
Baby, I know that you and me  
Could have had something special  
I'm not sure what it means but it seems  
That your mind's no more  
And we could have had it all suga

Momma said, "I waste my time"  
Time and time again I'm fine  
That you were always on my mind  
Now I guess, I've got to go  
I didn't then but now I know who

Where will we go from here, my dear?  
I just don't know  
'Cause you gotta way with me  
'Cause my future was clear  
Now I just cannot see  
We could have had it all suga

Momma said, "Don't waste my time"  
Time and time again I'm fine  
That you were always on my mind  
Now I guess, I got to go  
I didn't then but now i know
