

# Back To Life

Soul II Soul

Back to life, back to reality  
Back to life, back to reality,  
Back to life, back to reality,  
Back to the here and now yeah  
Show me how, decide what you want from me,  
Tell me maybe I could be there for you.

However do you want me,  
However do you need me.  
How, however do you want me,  
However do you need me.  
However do you want me,  
However do you need me.  
How, however do you want me,  
However do you need me.

Back to life, back to the present time,  
Back from a fantasy.  
Yeah Tell me now, take the initiative,  
I'll leave it in your hands until you're ready.

Oh however do you want me,  
However do you need me.  
How, however do you want me,  
However do you need me.  
However do you want me,  
However do you need me.  
How, however do you want me,  
However do you need me.  
However do you need me.  
However do you need me.  
However do you need me.  
However do you need me.

I live at the top of the block,  
No more room for trouble or fuss.  
Need a change, a positive change,  
Look, look it's me writing on the wall.

However do you want me,  
However do you need me.  
How, however do you want me,  
However do you need me.  
However do you want me,  
However do you need me.  
How, however do you want me,  
However do you need me.

Back to life back to the day we have  
Let's end this foolish game  
Hear me out don't let me waste away  
Make up your mind so I know where I stand

However do you want me,  
However do you need me.  
How, however do you want me,  
However do you need me.

However do you want me,  
However do you need me.  
How, however do you want me,  
However do you need me.
