

## I Care (soul li Soul)

Soul II Soul

I would not want to live in a world  
say that i would not want to live in a world without you  
say that i love a higher love, so high a love it lets my spirit  
see

i would not want to live in a world,  
say that i would not want to live in a world without you  
soul to soul i love you  
say that i would not want to live in a world without you

soul to soul i love you  
soul to soul i care  
i would not want to live in a world if you're not there

say that i love a richer love. so rich a love it cannot be cont  
inued  
say that i love a stronger love.  
so strong nothing else remains

i would not want to live in a world, say that i would not want  
to live in a world without you  
soul to soul i love you. say that i would not want to live in  
a world without you

soul to soul i love you  
soul to soul i care  
i would not want to live in a world if you're not there
