

## Ride On

Soul II Soul

Ride on ride on  
Ride on ride on

There's a stop light up ahead  
It appears to be reading red  
So, I stop to see  
Which way is best for me

Many avenues go east and west  
Which will I choose, the right or left?  
'Cos I got no time to lose  
You see I must be free

I'll head for the East  
Where I'll find peace, where I'll find peace  
As I pump two tune underneath the moon  
Going through the night till sunrise  
As I ride, as I ride on

Ride on, bumpa to bumpa groovin'  
Ride on, bumpa to bumpa groove  
Ride on, bumpa to bumpa groovin'  
Ride on, bumpa to bumpa groove

Now the journey has begun  
As I'm breezin' into the sun  
Still I wait to see  
Which way is best for me

Many avenues go East and West  
Which will I choose  
Going forward  
No turning back for me

I'll head for the East  
Where I'll find peace, where I'll find peace  
As I pump two tune underneath the moon  
Going through the night till sunrise  
As I ride, as I ride on

Ride on, bumpa to bumpa groovin'  
Ride on, bumpa to bumpa groove  
Ride on, bumpa to bumpa groovin'  
Ride on, bumpa to bumpa groove
