

Ride On

Soul II Soul

Ride on ride on
Ride on ride on

There's a stop light up ahead
It appears to be reading red
So, I stop to see
Which way is best for me

Many avenues go east and west
Which will I choose, the right or left?
'Cos I got no time to lose
You see I must be free

I'll head for the East
Where I'll find peace, where I'll find peace
As I pump two tune underneath the moon
Going through the night till sunrise
As I ride, as I ride on

Ride on, bumpa to bumpa groovin'
Ride on, bumpa to bumpa groove
Ride on, bumpa to bumpa groovin'
Ride on, bumpa to bumpa groove

Now the journey has begun
As I'm breezin' into the sun
Still I wait to see
Which way is best for me

Many avenues go East and West
Which will I choose
Going forward
No turning back for me

I'll head for the East
Where I'll find peace, where I'll find peace
As I pump two tune underneath the moon
Going through the night till sunrise
As I ride, as I ride on

Ride on, bumpa to bumpa groovin'
Ride on, bumpa to bumpa groove
Ride on, bumpa to bumpa groovin'
Ride on, bumpa to bumpa groove
