

Baby Come Back

SoulDecision

My love, you were the one thing in my life, that I treated bad.
Sometimes enough, I made you cry,
And I know the way I made you feel was wrong (I left you sad and lonely).
All the things I did, the words I said were much too strong,
But I swear if you come back to me, I'll do things much differently.

If you were with me today, this is what you'd hear me say,
And girl I feel so good together, could we give it just one more try?
I thought that we would last forever, now you're gone and I think I know why.
Guess I shoulda said I'm sorry, and maybe things wouldn't be this way
Heaven knows I love you baby, if you love me, baby come back to me.

(Come back to me)
All the times that I made you cry, I'm sorry.
Don't you say goodbye, I wish I had the chance to love you more,
But now you're gone I can't go on, I'm all alone.
But I swear if you come back to me, I'll do things much differently.

Tonight I'm only thinking of you,
Feeling sorry for myself, that's all I can do.
Without you here, I know I'd fall apart.
Oh, so at night, I dream I'm holding you in my arms
(And when I dream you're in my arms)
(oh, baby baby, baby)

Girl, could we give it just one more try?
I thought that we would last forever, now you're gone and I think I know why.
Guess I shoulda said I'm sorry, and maybe things wouldn't be this way
Heaven knows I love you baby, if you love me, baby come back to me.

Baby, come back to me.
Baby, come back to me.
