

# Back to the Primitive

Soulfly

Um, dois, tre^is, quatro...

Back to the primitive  
Fuck all your politics  
We got our life to live  
The way we want to be

Back to the primitive  
Fuck all your politics  
"Who feels it, knows it"  
(Bob Marley)  
And God will guide me

Back to the primitive  
Fuck all your bullshit  
We're back to set it free  
Confronting the negative

Back to the primitive  
Fuck all you wannabes  
You don't mean shit to me  
Let it bleed...

(tribal)  
Primitive  
Primitive  
Primitive  
Primitive

Back to the primitive  
Fuck all your politics  
We got our life to live  
The way we want to be

Back to the primitive  
Fuck all your politics  
How it used to be  
Check your reality

Back to the primitive  
Fuck all your politics  
Fuck all you wannabes  
Aaaaaarggghh!

Back to the primitive  
Fuck all your politics  
Forever we will be  
What we want to be

Primitivo
