

What goes around comes around  
You better realize  
You kill life, you kill life  
Why? Why?  
I see your eyes, I see your lies  
I see you hide, inside...

What goes around comes around  
Now it's your time  
How long can you lie?  
How long can you hide?  
How long can you live with your soulbleed?  
How long can you live with your soul...

Bleed Bleed Bleed Bleed Bleed Bleed

What goes around comes around  
No more lies  
You kill life, you kill life  
Why? Why?  
I see a mother cry  
I see a brother cry

Bring it on  
Bring it

I'll make you bleed and you're bleeding now  
Muthafucka

I got my pride and that's all I need  
I'll make you bleed with another blow without the radio  
Don't take advantage of this process  
You might have to digest a blade made for your ass to fade  
I'm living on instinct  
Never think when I'm rushin bones crushin  
When I put your sorry ass in a package  
You piece of shit sealed and delivered from a savage  
And now you sweat because you're goin down  
You envious clown fuckin' bleed
