We're cannibals all around the fire
The heart of jungle is my power
Born of darkness and slaughter
We're fucking savages chanting war!

Kill, Cut, Scalp - All your bodies
Kill, Cut, Scalp - All your souls
Kill, Cut, Scalp - All your heads
Kill, Cut, Scalp - All of you...

Hunting down they come for you
Sacrifice enter your doom
Bleed for your sins and bleed for me
Civilization Under siege!

Kill, Cut, Scalp - All your bodies
Kill, Cut, Scalp - All your souls
Kill, Cut, Scalp - All your heads
Kill, Cut, Scalp - All of you...

Consuming human to stay human
Force-fed children of scum
Consuming flesh to grow flesh
Radiation up in ashes!
