We're cannibals all around the fire  
The heart of jungle is my power  
Born of darkness and slaughter  
We're fucking savages chanting war!

Kill, Cut, Scalp - All your bodies  
Kill, Cut, Scalp - All your souls  
Kill, Cut, Scalp - All your heads  
Kill, Cut, Scalp - All of you...

Hunting down they come for you  
Sacrifice enter your doom  
Bleed for your sins and bleed for me  
Civilization Under siege!

Kill, Cut, Scalp - All your bodies  
Kill, Cut, Scalp - All your souls  
Kill, Cut, Scalp - All your heads  
Kill, Cut, Scalp - All of you...

Consuming human to stay human  
Force-fed children of scum  
Consuming flesh to grow flesh  
Radiation up in ashes!
