We're cannibals all around the fire The heart of jungle is my power Born of darkness and slaughter We're fucking savages chanting war!

Kill, Cut, Scalp - All your bodies
Kill, Cut, Scalp - All your souls
Kill, Cut, Scalp - All your heads
Kill, Cut, Scalp - All of you...

Hunting down they come for you Sacrifice enter your doom Bleed for your sins and bleed for me Civilization Under siege!

Kill, Cut, Scalp - All your bodies
Kill, Cut, Scalp - All your souls
Kill, Cut, Scalp - All your heads
Kill, Cut, Scalp - All of you...

Consuming human to stay human Force-fed children of scum Consuming flesh to grow flesh Radiation up in ashes!
