

## Living Sacrifice

Soulfly

Feel your soul and let it travel all across the world  
It's the journey not the destination as we know

It's the living  
It's the living  
It's the living sacrifice

Sometimes it feels like we can't take no more  
Have to find the strength, let the spirit overcome

It's the living  
It's the living  
It's the living sacrifice

Frustration  
Redemption  
Salvation  
Motivation  
Inspiration  
No Temptation  
Redemption  
Salvation

Feel your soul and let it travel all across this world  
It's the journey not the destination as we know  
Sometimes it feels like we can't breathe no more  
Have to find the hope, let the spirit overcome

Learn as if you're going to live forever  
Live as if you're going to die tomorrow
