## No Hope = No Fear

Whoever told ya you can never be free Whoever told ya you can't seek out that dream Whoever told ya you can never be free Whoever told you that is your enemy you see...

My life is mine, my right is mine Cause it's my life, you see, not your life My life is mine, my right is mine Sometimes you have to lose your mind...

No Hope = No Fear

I won't wait for the next life The time is now, the time is right Follow my heart, I'll get through If you're not now, you never were

So lose yourself to find yourself Don't need to act like nobody else Sometimes it feels as if the road is blocked I'll find a way, I'll move those rocks

Freedom!
