Pain

Speak up - you know what is up Code of silence?! Who set you up?! Some shit so wrong in this world It's all fucked up now you're gone Speak up - you know what went on How could you let it go? It's murder you covered up Stained blood on your soul

Down on my knees Hands stretched to heaven above Christ this pain is hard to live with Don't fill my heart with love Engulf my heart with vengeance You need to see our pain Don't fill this heart with love The truth needs to be told

You can't mask Pain My pain Our Pain You can't mask Pain My pain Our pain Soulfly
