```
Live your life
And not the way they tought you
Do what you feel!!!
Survive the jungle
Give me blood
Give me pain
These scars won't heal
Can you take it
Can you take it
Can you take it
Mother Fucker
What were you thinking
What a wonderful world!!!
Your full of shit
Leave it behind
They don't care if you cry
All is left is pain
I won't take it
I won't take it
I won't take it
The song remains insane, insane, insane
The song remains insane
The song remains insane
The song remains insane
I remain insane...
```
