

# Hall of Madness

Soulitude

Max:

I ask myself when did it all began  
The man behind the mirror  
Stares at me again  
And I try to stay away from all my fears  
Dreams become a nightmare  
Can't wake up anymore

Loren / Alain:

Despair and dejection  
I'm stuck in between two trances  
One step to my downfall  
I stand in the hall of madness

Ian:

The worm inside is eating me alive  
My memories my feelings  
The freedom to decide  
From the deepest corner somewhere in my mind  
One inner voice is calling  
Can only hear my cry

Loren / Ian:

Despair and dejection  
I'm stuck in between two trances  
One step to my downfall  
I stand in the hall of madness
