Bad Business

Souls of Mischief

I'm so hard headed, I never listen That's why I cut class everyday it felt like prison Poppin' at your ex-girlfriend in detention Tossed her in the library got my duck sick then The next day I was jalapeno dick pissin' Raw (that need?) the vixen on a suicide mission Bad bussiness the pussy had me mystified Couldn't trust her but I risked my life Bad business my dog as my witness Tried to act church girl religious She had a hit list Bad business lucky what if syphillis Or the monster What you got that all for a boo? That's bad business Spendin' all your time wastin' your time That's bad bidness that's bad bidness Yeah what do we have behind curtain Number three, ghetto fantasy Young buck sixteen, in a state of emergency Got you thrown in juvenile hall Cause you toss a marked car it's stupid Fit out a lakeshore But you wanna bounce over the hill to thirteen? That's bad bidness Ten dollar genocide is senseless You wanna be a pharmacist? All you doin' is harming us What about paris robinson Medgar evers and huey They kicked you out of oakland high Now you cuttin' up your doobie You'll be the butt of a few jokes Like joey buttafuoco, don't goof up And let your youth go lil' bro That's bad business It's like that huh Mind your business Man these niggas be foolish Trippin' Mind your business Slippin' Mind your business What's that white shit You puttin' that in the joint Mind your business Aw this nigga's a fiend Slippin' Mind your business Trippin' Mind your business Yo, yo now You sold some kid a o-z But it was only, 24 g's

You think that just cause you a o.g. You can short the youngstas But who's this fist clinched With a gat pointed at you damn dude that's bad business You rollin' with your homie johnny In a stolen mobby You lookin' slow and groggy Man get your folks some coffee You prob'ly ain't trippin' cause you off weed Then he speed crash now your ass got a broken body That's bad bidness Messin' with women with mental problems Two of my homies got killed like that They up in some coffins Stabbed in they sleep That shit is deep Prob'ly just got done waxin' they freaks Peep that's bad business When your mind is occupied with thoughts Of misdeeds hopin' you don't get caught That's bad business When the truth is obscured Made impure The speakers of it aren't sure anymore That's bad business When promises are made that you have to break Spoken in vain for accolades That's bad business When you accept a wrong Instead of correct a wrong That shit ain't to be slept upon That's bad business When ain't no one in the world You can call a friend 'cause you done screwed All of them That's bad business When you look into your own eyes And recognize you've become all that you despise That's bad business How much you pay man? Mind your business Man these niggas are new Trippin' Slippin' Mind your business Slippin' Mind your business Hey, when'd you get out Wait, I thought y'all got five years Mind your business Man this nigga's a snitch Trippin' Mind your business Somebody's gon' get him Somebody's gonna get that motherf**ker Mind your business What you sellin' crack, nigga Man that shit played out Mind your business Yeah this nigga right here is trippin'

Mind your business Straight slippin' Mind your business You's a (futile?) puzzle flashin' tweakin' Burpin' sighin' peekin' Dude you're bad business Man mind your business Bad business Fool mind your business
