

## Jesus of Nothing

Soulsavers

Last go round  
Seemed like my trail's nearly ending  
Been locked up  
Going out of my head

Last go around  
My trail's nearly over  
Been locked up  
Going out of my mind

Jesus of nothing  
Judas to touches  
On my way  
Going out of my head  
My trail's nearly ended

Those blocking out the sun  
I turn the ocean over  
See nowhere to run  
I've run so far already  
The last go around  
Till the end of my mind

Jesus of nothing  
Judas to touches  
Last go round  
Going out of my mind  
On my way  
Going out of my head

Last go round  
Going out of my mind  
It's my last go round  
Going out of my head  
My trail's nearly ended
