

# Stay

Soulsister

It's reaching the time  
when the coffee gets cold  
And all of our fabulous  
stories are told

None of my words  
have been catching the wind  
But I know I could reach you  
If wishes had wings

I've got no more use  
for this old bag of tricks  
I'm just waiting to take in  
the truth from your lips

And I'm searching the shadows  
for something to say  
What would you do  
if I asked you to

Stay Stay  
If only I could find a way  
to make you stay

So I reach out and pour you  
the last drop of wine  
If I could I would pour you  
a piece of my mind

And I look to the moonlight  
to show me the way  
Will it tell me your secrets  
Will it tell you to

Stay Stay

I hang on my hopes on every single breath  
I feel you take  
Is it gonna be another night  
I lie awake wishing you'

Stay Stay

Everything's been said baby  
I've gotta find me a way  
Now listen honey  
Now what would you do  
if I asked you to

Stay Stay  
If only I knew what to say  
If only I could find a way  
to make you stay
