

Weak Like A Baby

Soulsister

Last night should have been a lesson
You just wouldn't listen
I froze on the floor
You walked to the door
Went back home

People looked at one another
No one should be bothered
Like often before
What I had in store
Was gonna beat it all

Weak like a baby
Do do do do do do do do
Weak like a baby
Do do do do do do do do

Last night was just another night
Can't ever get it right
I told you before
Ain't gonna take no more

Weak like a baby
Do do do do do do do do
Weak like a baby
Do do do do do do do do

There's no use in me tryin'
I'd waste my breath once more
There's no use in me sighin'
Oh oh

Weak like a baby
Do do do do do do do do
Weak like a baby
Do do do do do do do do
