

Well Well Well

Soulsister

You don't have to be a thief to get caught
It happens all the time
You don't have to be for sale to be bought
It happens overnight
You don't have to try to be double-crossed
You better look around
You don't have to roam the streets to get lost
You never will be found

Lots of money
Lots of cars
Lots of fancy body-guards
Lots of colours
Lots of air
Lots of people everywhere

Well well well
Well well well
Doin' well well well
Everybody's out tonight

You don't have to flee to be on the run
They're out to get you now
You do'nt need a brain to carry a gun
You must be new in town

Dirty linnin
Dirty lungs
Freely enterprising bums
Police here
Police there
See you at the Psychic Fair

Well well well
Well well well
Doin' well well well
Everybody's out tonight

Lots of money
Lots of cars
Lots of fancy body-guards
Lots of colours
Lots of air
Lots of people everywhere

Well well well
Well well well
Doin' well well well
Everybody's out tonight
