

# A Rescue Into The Storm

Soulspell

TORYN • MARTINS

Something seems wrong tonight  
Above the rumbling skies cry  
The magic moon has hidden her light

JUDITH • MUNHOZ

I wish we could rest and see once again  
Those green meadows in a quiet night

SAMAEAL • FERNANDES / DEMON'S CHOIR

Soon we'll be together  
There's no need to worry  
Faces of a new world  
Will welcome judy at home

JUDITH • MUNHOZ

I always knew how i would end  
Now it's true  
Death took my hand

SAMAEAL • FERNANDES / DEMON'S CHOIR

Soon we'll be together  
There's no need to worry  
Faces of a new world  
Will welcome judy at home  
She will never be free  
She lies  
Lies dead here

PADYAL • ALBERT

We come to rescue you from the storm  
You enter the new world the way you're bom  
Get rid of the chalice's lies  
Let us be your guide  
A thunder of silence  
Within the black box  
We're above all science  
No one will ever cross

Solo - pagotto

SAMAEAL • FERNANDES / JUDITH • MUNHOZ

Soon we'll be together  
There's no need to worry  
Faces of a new world  
Will welcome judy at home
