

A Whisper Inside

Soulspell

WAYNA • SOMMERVILLE

It comes from above
It comes with no goal
It comes from unknown old waves

YARED • SOUZA

A breath brings you down
A breath to go on
A breath takes you with the wind

WAYNA • SOMMERVILLE / YARED • SOUZA

When it comes
You don't have to bleed

WAYNA • SOMMERVILLE

It]just goes

YARED • SOUZA

God can't you ease my pain?

WAYNA • SOMMERVILLE

God can't you ease my pain? oh...

YARED • SOUZA

In circles we remain the same

WAYNA • SOMMERVILLE / YARED • SOUZA

God can't you trust me again?
Feelings i have them to share
When it comes
You don't have to bleed
It just goes with the wind

WAYNA • SOMMERVILLE

From the ashes you can wash
Your grief and tears away

WAYNA • SOMMERVILLE / YARED • SOUZA

Recall your purpose of life
Let your flame burning inside

YARED • SOUZA

Reborn from all this rot

We re not the same, not anymore

YARED • SOUZA

There's nothing left to fear

WAYNA • SOMMERVILLE

I'll hear you once more

YARED • SOUZA

We are bound forever

WAYNA • SOMMERVILLE

The whispers inside you

WAYNA • SOMMERVILLE / YARED • SOUZA
The whispers inside you
