THE TALKING DIARY • SAGGIORO  
I don't wanna hear anymore  
You must learn to face your core  
I don't wanna fight, no more  
From now on you are alone

THE TALKING DIARY • SAGGIORO / JUDITH • MUNHOZ  
Ahh...

THE TALKING DIARY • SAGGIORO  
Everything i know is locked  
Those whispers in your ears are lost  
Please don't tear me out  
I beg you  
She said we were bound  
I believed it was true  
But forever she's gone  
If you lose your purpose of life  
If no flame bums inside  
Nothing can satisfy your thirst  
And your prayers  
Will never be heard

THE TALKING DIARY • SAGGIORO / JUDITH • MUNHOZ  
Ahh...

Solo - lambert

JUDITH • MUNHOZ  
I look at the door  
And see a light never seen before  
My soul mate is not the same anymore  
I feel him but he is not here  
Who are you my dear?  
Is there nothing to fear?
