

## Change The Tide

SoulsPELL

JUDITH • MUNHOZ

Am i dreaming or am i alive?  
The devil was my last sight  
At the end of this line  
I see something i can't understand  
And i feel there's no time to waste  
I must prevent my son's disgrace

CHARON • VESCERA

How dare you look me in the eye?  
You are no more than ashes, void of life  
But i own you appreciation  
This is your lucky day  
Just make a wish

JUDITH • MUNHOZ

Let me guide him forever  
Is a sole drop enough to change the tide?

Solo - lambert

CHARON • VESCERA

You are standing right between the poles  
Both attract you, now you go for one  
Either way you lose, you know  
How could you wish  
Something for him, not for you?

JUDITH • MUNHOZ

Let me guide him forever  
Is a sole drop enough to change our lives?

CHARON • VESCERA

There was only a right choice  
And you did well  
Time has come  
Don't waste a drop and chang the tide
