

The Blacksmith

Soulspell

(Tobit)

A deal defining the rules of a kingdom
Feel the words and so many souls
Flying away

(Hermes)

You are a king so you have
The power to move a man
Now lead your mind to control your heart
There's no excuse

His Kingdom was clear in this courage
Not trapped on a Cross
Defending those who deserve a place
In the Kingdom of all men

(Samael)

Burning my hope I'll live again

(Hermes)

Oh Lord! Who has claim? Who's the only one?
Don't say your prayers in vain. Be Jerusalem!

(Tobit)

If you can't understand my own traditions
This time just a brave heart won't be enough to you.

(Hermes)

His Kingdom was clear in this courage
Not trapped on a Cross
Defending those who deserve a place
In the Kingdom

Oh Lord! Who has claim? Who's the only one?
Don't say your prayers in vain. Be Jerusalem!

(Tobit)

Our faith is forged by our courage
The holy one is the one
