

The Keeper's Game

SoulsPELL

BANNETH • BAYLEY

Brave stranger
I will not let you pass
You don't have the courage
To overcome this
Just prepare to die

The slightest
I will turn you down
Like a thousand knights
Who are silenced now
I remember them
Cursed and blessed
No one fought to the end

TIMO'S MYSTICAL BODY • CAMPOS
How can i leave my beloved ones
In these gray days we won't forget
Solitude will reign anyway
I will end my quest

ARLIM • T. FALASCHI
He can't reach the tree
All the knowledge
Must remain here
Your game is bound to fail
His will must not prevail
Above it all

BANNETH • BAYLEY
Does he know the secret of the wood?
His heart beats louder than it should
Is this illusion or for real?
Do i surrender to his appeal?

TIMO'S MYSTICAL BODY • CAMPOS
Fear now bums my chest
I'm so close but i won't last
I could not even say farewell
My life ends fast

BANNETH • BAYLEY / JUDITH • MUNHOZ
The keeper's game
I will listen to your claim
The legacy is true
Left all to you

BANNETH • BAYLEY
It's true

ARLIM • T. FALASCHI
No!

Solo - magioni. t. falaschi

BANNETH • BAYLEY / JUDITH • MUNHOZ
The keeper's game

I will listen to your claim
The legacy is true
Left all to you
