

Hammer And Tongues

Soulwax

Like the hammer of a clickin' gun
words soundin'
funny coming out
all wrong hang on
sister
we
gotta lot to learn
this compartement
is self-contained
still my mouth is
runnin' dry
again I agree to
disagree I
know you are
but what am I
? language
appeals to a long
lost
cry
care-
fully
chose
words I
tried hang
on brother
we gotta lot
to learn for
what it's
worth the
right& wrongs
everybody shake
the hammer &
tongues to all of
you who don't
believe suck a lie
with a big hole in
me hang on sis-
ter we gotta lot
to learn
know you are
but what am I
?
