

## More Than This

Soulwax

Guess I had it coming  
Ambition is my worst vice  
Next thing I know  
Time is having it's way with me

Working hard at putting skin on baloney  
It all makes sense in some way I forget right now  
Somehow I manage to fool  
Myself and everyone else

That this is really just  
Only, maybe, only,  
Just the meantime  
Meantime

Frequent liar mileage  
As if I had a choice  
Limp to the edge of patience  
And let yourself fall

Wearing out mirrors  
All over the world  
I hope I can get far playing  
Air guitar

In the meantime  
Meantime  
There has to be more than this  
There has to be more than this

Somehow I manage to fool  
Myself and everyone else  
That this is really just  
Only, maybe, only,

Just the meantime  
Meantime  
There has to be more than this
