Much Against Everyone's Advice

I

seem to have a history

at missing the point

at this stuff

apparently

very absentmindedly

I care

but never enough

for

..

you

TIIIIIIIIIME-to put the record straight

TIIIIIIIIIME-to stop communicating

please anticipate

AND I'M TRYING TO COMPREHEND THE THINGS I WRITE

AND I'M LIVING THE LIE THAT I CANNOT SATISFY

MUCH AGAINST EVERYONE'S ADVICE

I'M STILL TRYING I'M TRYING I'M TRYING I'M TRYING

faith

cheated me of everything

but I laughed until

I stopped

publicly

very, very openly

I sat alone with my thoughts

for

..

you

TIIIIIIIIIME-to set the record straight

TIIIIIIIIIME-to stop communicating

please anticipate

AND I'M TRYING TO COMPREHEND THE THINGS I WRITE

AND I'M LIVING THE LIE THAT I CANNOT SATISFY

MUCH AGAINST EVERYONE'S ADVICE

I'M STILL TRYING I'M TRYING I'M TRYING I'M TRYING
