

The Salty Knowledge Of Tears

Soulwax

Somebody,
Take this love and run away
'cause I don't care
It is all I can say
I KEEP ON LOSING YOU
AND FINDING YOU
Take me upstairs and
Into your arms
Do not be deceived by my charms
I KEEP ON LOSING YOU
AND FINDING YOU
That's why I fear
All the salty knowledge of tears
Just shut your mouth and kiss me
Just close your eyes
Punish yourself with a handkerchief
I don't reply
That's why I fear
All the salty knowledge of tears
