

Black Hole Sun Chords

Soundgarden

1. In my eyes, indisposed
in disguise as no one knows
hides the face, lies the snake
the sun in my disgrace

Boiling heat, summer stench

beneath the black the sky looks dead

call my name through the cream

and I'll hear you, scream again

R: Black hole sun, won't you come
and wash away the rain
Black hole sun, won't you come
won't you come
won't you come
