

Blow Up The Outside World Version 2

Soundgarden

Nothing seems to kill me
No matter how hard I try
Nothing is closing my eyes
Nothing can beat me down for your pain or delight
And nothing seems to break me
No matter how hard I fall
Nothing can break me at all
Not one for giving up though not invincible I know

R: I've given everything I need
I'd give you everything I own
I'd give in if it could at least be ours alone
I've given everthing I could
To blow it to hell and gone
Burrow down in and Blow up the outside
Blow up the outside Blow up the outside world

Someone tried to tell me something
Don't let the world bring you down
Nothing will do me in before I do myself
So save it for your own and the ones you can help

R: I've given...

(Guitar solo)

Want to make it understood
Wanting though I never would
Trying though I know it's wrong
Blowing it to hell and gone
Wishing though I never could
Blow up the outside Blow up the outside
Blow up the outside World
