

# Can You See Me

Soundgarden

Can you see me?  
I'm singing this song to you  
Can you see me baby?  
I'm singing this song to you, yeah  
If you can see that you can  
See in the future for a thousand years  
Well can you see me?  
I'm flossing my teeth for you, yeah  
Can you see me baby?  
I'm washing my seats for you  
Yeah if you can see that you can  
See in the future for a thousand years  
Mmmmm...  
Yeah  
Well can you hear me?  
I'm singing this song to you, mmm...  
Can you see me baby?  
I'm on my knees for you, yeah  
If you can see that well you  
Better come home like your sposed to  
Yeah you better come home  
Yeah you better come home  
Just like your s'posed to do
