

## Hunted Down

Soundgarden

They saw you today as you were leaving  
And they run to hunt you down  
Dogs lead the chase as you are bleeding  
They run to hunt you down

Your narrow escape  
Has wiped the smile right from your face  
Those starved dogs howling  
Run to hunt you down

You smile as you look in the mirror  
Tears have left your eyes  
Your face has a different exterior  
Permanent disguise

Your narrow escape  
Has wiped the smile right from your face  
Those starved dogs howling  
Run to hunt you down

I said run just to hunt you down  
Right now, right now, right now, right now
