

She's a Politician

Soundgarden

A broken mirror and razor blade
She's a politician
Hot headed all the time
She's a politician

She doesn't misaccuse
She doesn't misabuse
She don't listen, even if she doesn't know what she's saying
She's a politician

And when it comes to blows
She'll get you on the ropes
She's got you beat, you can tell by the company she keeps
She's a politician

A broken mirror and razor blade
She's a politician
Hot headed all the time
She's a politician

Yeah, yeah, yeah

She's got you all confused
With her machine gun talk
She won't give it cause she knows she's got a lot
