

# Tighter & Tighter

Soundgarden

Shadow face  
Blowin' smoke an' talkin' wind  
Lost my grip  
Fell too far to start again, start again

A sudden snake  
Found my shape an' tells the world  
Remember this  
Remember everything's just black or burning sun

An' I hope it's a sweet ride

Sleep tight for me  
Sleep tight for me, I'm gone  
Sleep tight for me  
Sleep tight for me, I'm gone

Warm an' sweet  
Swinging from a window's ledge  
Tight an' deep  
One last sin before I'm dead, before I'm dead

A sucking holy wind  
Will take me from this bed tonight  
An' bloody wits  
Another hits me an' I have to say goodbye

Sleep tight for me  
Sleep tight for me, I'm gone  
Sleep tight for me  
Sleep tight for me, I'm gone

Sleep tight for me  
Sleep tight for me, I'm gone

An' I hope it's a sweet ride  
Here for me tonight  
'Cause I feel I'm going  
Feel I'm slowing down

Sleep tight for me  
Sleep tight for me, I'm gone  
Sleep tight for me  
Sleep tight for me, I'm gone

Sleep tight for me  
Sleep tight for me, I'm gone  
Sleep tight for me  
Sleep tight for me, I'm gone

Sleep tight for me  
Sleep tight for me, I'm gone  
Sleep tight for me  
Sleep tight for me, I'm gone

An' I hope it's a sweet ride  
Here for me tonight

'Cause I feel I'm going  
Feel I'm slowing down
