Dope House Intro

South Park Mexican

Dope House Records.... Dope sells itself, BIATCH!!!! The real always gonna recognize the real... If y'all muthafuckas want some Then come get you some potna

For every city that I come to This for every bitch that I run through This for every hater in the Universe Stayin' one step ahead, I'm shootin' first For every killa lookin' for some employment I'm a nigga that you don't fuckin' toy with This is for my enemies and homies If you got a strong family then join me Everything I say, be safely said While me and my niggas keep breakin' bread Don't hate the Mex, it's obvious That you don't wanna see my people prosperous In God We Trust, put down your guns For my niggas locked down for a thousand months I'ma bounce and bust, sell an ounce of dust The wetback, I suggest you get down with us

Welcome to the Dope House Welcome to the Dope House This is for my killas, killas, killas This is for my killas

Peace to my home boy Mansa
