I do it for you 'cause you care about me
When I was locked down in Harris county
Putting money on my books for my, for my comercery
All my broke homies at home watching Jerry
Told her I was hooked on Miss Mary

Million dollar Nena Ross giving birth to 17 kids
Can you fit when you get extra clip on my hip?
Holla tits let it zip all through your shit
If you pass the cemetery on main and 5th
You can see a collection of my greatest hits
Having zipped, don't carry on the contrary
If you feel me then holla already
Some of you broads become old news
Getting tagged team and recked up by who knows who?
Well, rule #1 - you wanna touch for fun you get touched by gun
'Til you fuck with son, huh?
