

# Isolated

Southpaw

I'm feeling so useless  
And on my face  
There's a sign that says:  
I'm lonely  
And if only  
I could get  
Back to you

You make me feel isolated  
Safe from pain  
Safe from harm  
Safe from hatred

I'm trying to deny it  
Crawling so many miles  
With the speed of a crocodile  
So wasted
