

# Christmas Is For Everyone

Southside Johnny & The Asbury Jukes

Christmas is for everyone  
Let the spirit touch your heart  
Joy and cheer for everyone  
Let every soul take part

There may not be a Christmas tree  
Shining in the hall  
But Christmas is for everyone  
With love for one and all

Christmas is for everyone  
All are welcome here  
With open smiles for everyone  
We face the coming year

On other days, our different ways  
May keep us far apart  
But Christmas is for everyone  
The proof lies in your heart

Christmas is for everyone  
Let nothing you dismay  
A prayer of hope for everyone  
Should mark these holidays

Joy to the world and peace on earth  
No matter great or small  
'Cause Christmas is for everyone  
With love for one and all  
With love for one and all
