

## Hard To Find

### Southside Johnny & The Asbury Jukes

Joseph and sweet Mary scratching in the sand  
His lost expression like he doesn't understand  
But she seems happy and that's all that really counts  
So they keep moving but, oh Lord, he has his doubts  
Then that light, light comes shining  
From the east and Mary has a child  
Joseph sighs and just shields his eyes  
Smiles, smiles, smiles smiles his wistful smile  
You can get it if you really want it  
You can get it but you better be sure now  
Cause if you want it then  
You're gonna get it  
You're gonna get it right now

True love is so hard to find  
True love is so hard to find  
Break your back and then you lose your mind  
True love is so hard to find

Johnnie F. and Jackie looked like they had it all  
Start at the top, you never think you'll fall  
So much in love, always together  
Till they ran into bad Texas weather now  
Trouble down, down down down in Dallas  
Shots rang out in the middle of the afternoon  
Now we know all about a certain Miss Monroe  
And Jackie K. turned into Jackie O.  
You can get it if you really want it  
You can get it but you better be sure now  
Cause if you want it then  
You're gonna get it  
You're gonna get it right now

True love is so hard to find  
True love is so hard to find  
Break your back and then you lose your mind  
True love is so hard to find

You can get it if you really want it  
You can get it but you better be sure now  
Cause if you want it then  
You're gonna get it  
You're gonna get it right now

True love is so hard to find  
True love is so hard to find  
Break your back and then you lose your mind  
True love is so hard to find
