

# I Can't Wait

Southside Johnny & The Asbury Jukes

You say you love me  
Then you leave me in this place  
You're thinking of me  
But I never see your face  
You've got a lot of nerve  
To say it's what I deserve  
You say all men are fools  
But I didn't make the rules

I can't wait for you to come a  
I can't wait for you to come a  
I can't wait for you to come around

This world keeps turning  
But it's bound to stop one day  
You keep me burning  
Wondering if you're on your way  
The world is full of liars  
Who breathe unholy fires  
While they fight for control  
Who's gonna save my soul

I can't wait for you to come a  
I can't wait for you to come a  
I can't wait for you to come around

I can't wait for you to come a  
I can't wait for you to come a  
I can't wait for you to come around
