

# I'm So Anxious

Southside Johnny & The Asbury Jukes

Won't you come to Florida for a vacation?  
The tan developer beckons from the television  
They know they got me because I'm an insomniac  
Records, detergents, here's the latest Pontiac  
The got me so conditioned now that  
When they talk I just react  
Why they throwing it all at me?

I'm so  
I'm so  
I'm so anxious

Hard sell pressure got to keep the motor running  
Stimulate your need to satisfy something  
You don't want to be the one who never gets in line  
You don't want to be the one who's always left behind  
Pick up that phone you're running out of time  
Why they throwing it all at me?

I'm so  
I'm so  
I'm so anxious

I'm so  
I'm so  
I'm so anxious

I know you're worrying what will the people say?  
I know you're worrying you've got bills to pay  
Worrying will the backwash get you?  
The undertow drag you out?

You don't want to be the one who never gets in line  
You don't want to be the one who's always left behind  
Pick up that phone, quick you're running out of time  
Why they throwing it all at me?  
Why they throwing it all at me?  
Why they throwing it all at me?

I'm so  
I'm so  
I'm so anxious

I'm so  
I'm so  
I'm so anxious
