

# I Played The Fool

Southside Johnny & The Asbury Jukes

Like the child who's soul's a flame that loves to burn  
I'm just the kind of guy who never learns  
I guess you had to go  
Why was I the last to know?

I played the fool, girl  
I did just what you expected  
I played the fool  
And you're making it so hard to leave this time

I see so much when I look in your eyes  
I just can't help myself, I'm hypnotized  
It's my turn to walk away  
But, baby, I'll be back someday

I played the fool, girl  
I did just what you expected  
I played the fool  
And you're making it so hard to leave this time

It's my turn to walk away  
But baby I'll be back someday  
I played the fool, girl  
I did just what you expected  
I played the fool, girl  
And you're making it so hard to leave this time

It's my turn to walk away  
But baby I'll be back someday  
I played the fool, girl  
I did just what you expected  
I played the fool
