

## It Ain't The Meat (it's The Motion)

Southside Johnny & The Asbury Jukes

It ain't the meat it's the motion  
That makes your daddy wanna rock  
It ain't the meat it's the motion  
It's the movement it isn't the stock

Well, I got a girl that's so darn thin  
there ain't much of her but bones and skin  
one thing about her I can understand  
she wraps all around me like a rubber band, baby

It ain't the meat it's the motion  
That makes your daddy wanna rock  
It ain't the meat it's the motion  
It's the movement it isn't the stock

Well, I want a girl who's built real fat  
Kenny don't like to see 'em like that  
But I like to see 'em big and tall  
The bigger the come the harder they fall

It ain't the meat it's the motion  
That makes your daddy wanna rock  
It ain't the meat it's the motion  
It's the movement it isn't the stock

Well, I want someone who feels like they got to have love  
Love to look at the stars above  
My little baby, I want you to know  
She'll bring me home all of her dough

It ain't the meat it's the motion  
It ain't the meat, uhm uhm uhm  
It ain't the meat, I say the action  
That makes your daddy wanna rock

Bring it down one time  
It ain't the meat it's the motion  
It ain't the meat, I say the movement, girl  
It ain't the meat, it's the action  
That makes your daddy wanna rock
